

MERGERS & ACQUISITIONS

Our mergers & acquisitions **attorneys** focus on middle-market companies with closely-held ownership structures. We know and understand well the issues facing owners. We handle **transactions** on both the buy and sell-side, including stock purchases, asset purchases, mergers, divestitures, and recapitalizations. On the sell-side, we have worked extensively with both strategic acquirers and private equity buyers, and we understand how to tailor our approach to each.

Services Provided

- Full-service representation through all aspects of transaction – from indication of interest/letter of intent through closing
- Advise on deal structure, including federal and state **tax** matters
- Assist with due diligence, including management of electronic data rooms
- Prepare, review and negotiate all transaction agreements
- Coordinate with financing sources, whether institutional or private
- Coordinate with other advisors such as investment bankers and accountants to maximize efficiency and value to client
- Act as local counsel as part of a larger national or international deal team, including running due diligence processes on U.S. based targets and advising on North Carolina law
- Advise minority owners as to their rights, obligations, and liabilities in sales transactions
