

## Informational Seminar for Property Owners Impacted by the CATS Blue Line Project

You and your property may be impacted by the extension of the CATS Blue Line. If the City takes all or a part of your property for this project, do you know about the process and what steps you need to take to protect yourself?

**Date:**

February 21

**Time:**

7:00 pm

**Location:**

Johnston, Allison & Hord office  
1065 E. Morehead Street  
Charlotte 28204

Johnston, Allison & Hord is a law firm with years of experience guiding property owners through the condemnation process. The lawyers of Johnston, Allison & Hord's Condemnation & Land Use Group will ensure your rights are protected and you receive fair and full compensation for the loss of your property.

Please join us on February 21, 2013 for a complimentary informational seminar where you can ask questions of our attorneys about your concerns and the impact of the CATS Blue Line project on your property.

***There is absolutely no charge or obligation for attending.***
